

# DEDAR

MILANO

Founded in 1976, DEDAR is a family-run fabric house that expresses a personal style with its cutting-edge contemporary collections. Located in Italy, close to Como, in the heart of a manufacturing district, DEDAR experiments and innovates to attain product perfection through an ongoing dialogue with those craftsmen and textile specialists who are most familiar with the techniques employed in the production of excellent fabrics.

Characterized by seductive colour palettes and unexpected patterns, DEDAR's fabrics combine precious yarns with research into fiber technology to offer various solutions for curtains, upholstery and wall covering of timeless elegance.

Since 2011 DEDAR is partner of Hermès for the production and distribution of the home fabrics and wallpapers collection, displayed in all DEDAR showrooms.
